EMERGENCY MOTION FOR ADMINISTRATIVE ORDER STAYING CIVIL
LITIGATION IN LIGHT OF LAPSE OF APPROPRIATIONS AND
MEMORANDUM IN SUPPORT THEREOF

The United States of America, by and through Byung J. Pak, United States Attorney for the Northern District of Georgia, files this Emergency Motion for Administrative Order Staying Civil Litigation in Light of Lapse of Appropriations.

1. At midnight on December 21, 2018, the continuing resolution that had been funding the Department of Justice expired and appropriations to the Department lapsed. The same is true for eight other federal departments and several independent agencies. The Department does not know when funding will be restored by Congress.

2. Absent an appropriation or continuing resolution, Department of Justice attorneys and employees are prohibited from working, even on a

voluntary basis, except in very limited circumstances, including “emergencies involving the safety of human life or the protection of property.” 31 U.S.C. § 1342. With limited exceptions, this includes attorneys and other employees in the Civil Division of the United States Attorney’s Office for the Northern District of Georgia.

3. The United States therefore requests a stay of any and all civil cases in the District Court of the Northern District of Georgia in which the United States, any federal agency, or any federal officer and/or employee (in their individual or official capacity) is a named party, until Congress has restored appropriations to the Department.¹ This includes all proceedings in civil cases in which the United States Attorney or any Assistant United States Attorney is counsel of record.

4. If this motion for a stay is granted, the undersigned counsel will notify the Court as soon as Congress has appropriated funds for the Department or enacted another continuing resolution. The United States requests that, at that point, all current deadlines for the parties automatically be extended

¹ This includes civil matters pending before Magistrate Judges for the District Court of the Northern District of Georgia, including Social Security matters brought against the Acting Commissioner of Social Security.

commensurate with the duration of the lapse in appropriations without any further action by the Court.

While we regret any disruption caused to the Court and the other litigants, the United States therefore moves for a stay of all civil cases in the District Court of the Northern District of Georgia in which the United States, any federal agency, or any federal officer and/or employee is a named party and/or in which the United States Attorney or any Assistant United States Attorney is counsel of record, until Department of Justice attorneys are permitted to resume their usual civil litigation functions. For the Court's convenience, a proposed Order is attached.

This 26th day of December, 2018.

Respectfully submitted,

BYUNG J. PAK
